

## PEACE AND STABILITY

Crime, corruption remain massive problems. Security issues linked to terrorism and border security. Proposals

- Better mobilise communities in fight against crime
- Convict big criminals, better intelligence, investigation, prosecution
- Enforce laws on illegal transfer of profits, stop illegal mining.
- Improve poaching and smuggling law enforcement.
- Introduce life style audits to curb corruption in the state
- Laws on counter terrorism, awareness among recruitment targets.
- Convicted foreign nationals repatriated if will be securely imprisoned.
- Improve parole and rehabilitation as well as victim involvement?
- Ensure staff, systems and data of the DHA protected, improve IT
- SANDF contribute to skills development, and job creation
- Improve regulation private security companies, cooperation with state
- Improve access to courts and transformation
